The 411: You'll certainly want to make note of this website if you're a tea drinker. Check out this site for specialty teas and tea-themed gifts. They have their own wedding blend, which is a fruity white tea, and can be given in an assortment of pretty tins.

Our Favour Pick: Put your smiling faces on a tin of specially blended wedding tea. We're big fans of their Beautiful Picture Favour.

We are newly weds and I want to thank the Wedding Bells team because I visited your wonderful site almost everyday for ideas and tips.

I have to say for the wedding favours, your team should include an amazing company called 'Language of the Leaf' - they are an online gourmet tea company and create Personalised Wedding Tea Favours, which allows you to place a picture of the bride and groom on the wedding favour. Now that is unique. Here's their link - <http://languageoftheleaf.com/wedding-...>

All the best to the brides out there,
Regda
